## Formula to Determine Amount for Title III, Part A Immigrant Equitable Services

This worksheet is for purposes of determining the amount of Title III, Part A funds that an LEA must make available for equitable services to private school Immigrant students, their teachers, and parents as applicable.

Section A		LEA Contact Information School Year			
LEA Name					
County District Number					
LEA PNP Contact					
Phone Number					
Fax					
email					
Address					
Superintendent's Name					
Section B		Calculating Equitable Service Amounts			
<b>Student Enrollment-</b>					
If a LEA reserves funds off the top of its Title III Immigrant allocation for supplemental instructional activities, professional development activities, or parental involvement activities the following federal requirement applies. The LEA must provide from those funds, as applicable, equitable services to eligible private school students, teachers, and/or parents. The amount of funds available to provide equitable services from the applicable reserved fund must be proportionate to the number of Immigrant identified private school children.					
District Immigrant Enrollment		Participating Private School(s) Immigrant Enrollment		Total Immigrant Enrollment	0
<b>Title III, Part A Allocation to be used for Instruction, Professional Development, and/or Parent Involvement Activities-</b>					
District Title III, Part A Immigrant Entitlement		Allocations for Indirect Costs and Administration (not to exceed 2% of the entitlement)		District Allocation for current year's Title III, Part A Immigrant services	
<b>Per Pupil Allocation-</b>					
<b>Title III, Part A Immigrant Equitable Services Amount-</b>
